

Holy Disciples Middle School Religion Summer Work
Happy Summer Everyone!

I am looking forward to working with you in Religion during your 2026-2027 school year. As we approach the summer months, I request that you provide meaningful services during the break. Acts of Service are a part of the works of mercy God asks us all to be a part of which provide a daily reminder of His love. Acts of service can be; feeding the hungry, visiting the sick, or taking care of the homeless. However, additional examples would be any acts of community service. Please return this entire page with your completed work during the first week of school. I hope you have a wonderful summer!

I look forward to seeing you in mass this Summer,
Mr. Tome
